

SAIN
SINCE 1973

**In the pursuit of
Humanity**

To invent. To create. To solve; for Humanity.

Company Profile

Shri Radheshyamji Kanodia
Founder & Father of Sain Family

The company was founded by **Shri. Radheshyam Kanodia ji**. His magnanimous and philanthropic vision has taken it to greater heights of success. Armed with business acumen and an extensive experience in the pharmaceutical industry, he has been instrumental for what **Sain Medicaments Pvt Ltd is today**. Because of him, Sain has successfully carved a niche for itself by making its presence felt strongly both in the domestic as well as in the international market. Under his leadership, Sain has evolved from an Indian branded generic business, into a research-driven and innovation-led organization globally. He possessed a strong work ethic and a positive attitude, regardless of the situation at hand. He always led the organization by example and doing so with honesty, integrity, loyalty and ambition. Today, he is known as a modest people man and one of the most successful pharmaceutical entrepreneurs who focussed on delivering extensive value to customers through top-notch and premium quality products.
